For Your Safety
 This is a harsh environment—any emergency situation can become life-threatening, especially in summer. Heed safety warnings in the park newspaper, including extreme heat and dehydration, unsafe driving, flash floods, and mine hazards. Ask about unpaved road conditions before traveling in the backcountry. Do not use this map for hiking or backcountry road travel. Detailed maps are available at the visitor center and ranger stations.

Park Regulations
 It is your responsibility to know and abide by park regulations. If in doubt about an activity, ask at a ranger station or see the park newspaper for details. To protect park features the following are prohibited:
 • Campfires outside developed campgrounds • Wood gathering • Driving off roads (includes bicycles)
 • Collecting, removing, or disturbing rocks, plants, animals or historic artifacts • Pets off leash, off roads, or on trails • All weapons • Littering.
